SCHOOLS

Life Education is a charity providing health and drug prevention education support to schools. The specially equipped classroom provides an unforgettable experience for the children whilst contributing to our Personal, Social, Health and Citizenship curriculum. The fun, interactive and **age-appropriate** programmes help children to understand the **wonders of the human body** and how to look after it.

- In **Foundation Stage** and **Key Stage 1** (*Reception to Year 2*) they learn about **keeping their bodies healthy, feelings**, being a **good friend** and the **safe use of medicines**.
- At **Key Stage 2** (*Years 3 & 4*) the experienced and specially trained Educators help children to consider the effects and risks associated with the use of drugs, including **medicines, alcohol** and **tobacco**. In addition, children learn about **choices** that can affect health and well-being, skills of **friendship** and how to cope with **bullying** and **peer pressure**.

A voluntary contribution of £3.00 per child is requested to help cover the cost of the visit. **Please give your consent and make your payment via the payment section on your schoolcomms account by Wednesday 1st May.**

Yours sincerely,

Mrs A Seal
Head of School
