3<sup>rd</sup> September 2024

Dear Parents,

For our topic of Stone Age to Iron Age, Year 3 this year will be going to the **Cranborne Ancient Technology Centre**. There will be two expert guides working with us for the day leading activities. This will be a very exciting chance for children to experience a day of living history. The children will spend the day involved with hands-on experiences and immerse themselves with life in this period of time!

The trip will be on the **Wednesday 11<sup>th</sup> September** and we will be departing from school at 9:00am. We will be arriving back at school at 3.00pm so children can be collected/get buses home as normal.

On the day, children will need to wear non-uniform, this must be old and warm clothes as we will be spending the day outside. Please make sure they have a waterproof coat. Children should come to school wearing trainers, and bring a pair of wellies with them in a bag, to change into when we arrive at Cranborne. Please come and see us if this will be a problem. As we will be going for the whole day, children will need a disposable named lunch as well as one named water bottle. If you have ordered a hot meal a packed lunch will be provided instead.

The cost of this trip will be a voluntary contribution of **£10.00** per child. FOPS have kindly agreed to subsidise the remaining amount, enabling us to partake in this memorable trip.

Please provide your voluntary payment and consent for the trip by **Monday 9<sup>th</sup> September** via SchoolComms. This can be accessed via the school website.

This will be a truly memorable day for the children, and I hope you agree that this will be an exciting opportunity for them.

Kind regards

Miss Bridge
